

Sending payments to Royal Bank of Canada Investment Management (U.K.) Limited

August 2017

Money can be transferred to your account with Royal Bank of Canada Investment Management (UK) Limited (“the Service provider”, “us” or “our”) either by (i) electronic payment (normally the quickest method) or (ii) through the issuance of a cheque (check), draft or banker’s payment (the “Other Payment Methods”).

Details of the key information required for sending payments to the Service provider is reflected below. Words or terms in bold text are explained in the glossary.

If you have any questions about the content of this document or about sending funds in general, please contact your Relationship Manager.

Electronic payments

When transferring money to us by **SWIFT** the **remitting bank** should be requested to:

- (a) pay the funds to our appropriate **correspondent bank**, as detailed in this document; and
- (b) arrange, if possible, for confirmation of the payment to be sent by an authenticated SWIFT message directly to SWIFT address: ROYCGGSP;
- (c) quote the full beneficiary account name and account number or IBAN

Please note that if the confirmation referred to in (b) above is not sent, then there may be a delay in receiving **good value** for the payment.

Payer (client) information

When sending funds to us, please ensure that you include the full name, address and account number (or where appropriate the **IBAN**) of the payer.

As an alternative to the payer’s address, the payer’s date and place of birth may be provided. Please instruct the remitting bank to include this information on all payments. Failure by the remitting bank to provide complete payer information may result in either (i) a delay before funds are credited to your account, or (ii) the payment being returned.

Sending payments in euros

It has been mandatory since 2007 for all payments made in euros (€) to quote a valid IBAN and SWIFT Bank Identifier Code (BIC). The BIC that you should provide the remitting bank is (ROYCGGSP), while the IBAN is that of the Royal Bank of Canada Investment Management (UK) Limited (RBIM UK) account to whom you are making the payment.

If you fail to provide this information to the remitting bank, this will probably result in (i) a delay before the remitting bank can make the payment for you; or (ii) the remitting bank or their agent levying an additional charge, which may be deducted from the amount of the payment.

Please contact your Relationship Manager if you do not have an IBAN for your account.

Online payments

When using another bank’s online system to send funds to your account with us, it is possible that you will not be prompted to provide correspondent bank details. This is likely to be the case when making domestic UK payments.

Should this be the case, you will need to provide your RBIM UK account name and number with the sort code 40-48-75. If you are asked for the beneficiary service provider name, please ensure that you reference Royal Bank of Canada Investment Management (UK) Limited and include your account details in the reference field. This will typically provide your bank with all the necessary information to make the payment.

Obtaining good value

To ensure good value is obtained, we must receive your payment in accordance with the cut-off times set out below. Outside of these hours we operate on a **best efforts basis**.

It is also important that you remember to take into account public holidays in the country whose currency is being sent. For example, if you instruct the remitting bank to make a US dollar payment on a particular day and the day in question is a US bank holiday, then the payment will be delayed until the next business day in the US.

Cut-off times

The following currencies can be applied to your RBIM UK account with same day value, subject to their respective cut-off times¹ as detailed:

Euros (EUR)	13:00
Sterling (GBP)	13:30
Canadian dollars (CAD)	14:30
US dollars (USD)	15:30

For all other currencies, value will be given two working days after we receive confirmation of the payment from the remitting bank.

¹ Please note that Guernsey and Jersey are in the same time zone as the United Kingdom.

Other payment methods

Payments can also be made to your account by cheque, draft or money order (collectively “cheques”), which should be sent directly to the office or branch of RBIM UK where your account is held. **Please note:** Cheques should be made payable to RBIM (UK) as that is the name of the account the funds are being deposited into.

Foreign cheques (which for the avoidance of doubt includes sterling cheques drawn on banks outside the UK) will either be **Negotiated** or handled as a **Collection**.

If we Negotiate a cheque, we will credit the proceeds of the cheque (less our charges) to your account within seven UK business days² forward value². If a cheque is handled on a collection basis, we will credit the proceeds of the cheque (less our charges and also any charges levied by the third party bank on which the cheque is drawn) following receipt of the payment from the third party bank.
