

Sending payments to Royal Bank of Canada (Channel Islands) Limited

June 2017

Money can be transferred to your account with Royal Bank of Canada (Channel Islands) Limited (“the Bank”) either by (i) electronic payment (normally the quickest method) or (ii) through the issuance of a cheque (check), draft or banker’s payment (the “Other Payment Methods”).

Details of the key information required for sending payments to the Bank is reflected below. Words or terms in bold text are explained in the glossary.

If you have any questions about the content of this document or about sending funds in general, please contact your Relationship Manager.

Electronic payments

When transferring money to us by **SWIFT** the **remitting bank** should be requested to:

- (a) pay the funds to our appropriate **correspondent bank**, as detailed in this document; and
- (b) arrange, if possible, for confirmation of the payment to be sent by an authenticated SWIFT message directly to our SWIFT address: ROYCGGSP;
- (c) quote the full beneficiary account name and account number or IBAN

Please note that if the confirmation referred to in (b) above is not sent, then there may be a delay in receiving **good value** for the payment.

Payer information

When sending funds to us, please ensure that you include the full name, address and account number (or where appropriate the **IBAN**) of the payer.

As an alternative to the payer’s address, the payer’s date and place of birth may be provided. Please instruct the remitting bank to include this information on all payments. Failure by the remitting bank to provide complete payer information may result in either (i) a delay before funds are credited to your account, or (ii) the payment being returned.

Sending payments in Euros

It has been mandatory since 2007 for all payments made in Euros (€) to quote a valid IBAN and SWIFT Bank Identifier Code (BIC). The BIC identifier that you should provide the remitting bank is ours (ROYCGGSP), while the IBAN is that of the beneficiary’s account to whom you are making the payment.

If you fail to provide this information to the remitting bank, this will probably result in (i) a delay before the remitting bank can make the payment for you; or (ii) the remitting bank or their agent levying an additional charge, which may be deducted from the amount of the payment.

Please contact your Relationship Manager if you do not have an IBAN for your account.

Online payments

When using another bank’s online system to send funds to your account with us, it is possible that you will not be prompted to provide correspondent bank details. This is likely to be the case when making domestic UK payments.

Should this be the case, you will need to provide your account name and number with the sort code 40-48-75. If you are asked for the beneficiary bank name, please ensure that you reference Royal Bank of Canada (Channel Islands) Limited. This will typically provide your bank with all the necessary information to make the payment.

Obtaining good value

To ensure good value is obtained, we must receive your payment in accordance with the cut-off times set out below. Outside of these hours we operate on a **best efforts basis**.

It is also important that you remember to take into account public holidays in the country whose currency is being sent. For example, if you instruct the remitting bank to make a US Dollar payment on a particular day and the day in question is a US bank holiday, then the payment will be delayed until the next business day in the US.

Cut-off times

The following currencies can be applied to the beneficiary account with same day value, subject to their respective cut-off times¹ as detailed:

Euro (EUR)	13:00
Sterling (GBP)	13:30
Canadian Dollar (CAD)	14:30
US Dollar (USD)	15:30

For all other currencies, value will be given two working days after we receive confirmation of the payment from the remitting bank.

¹ Please note that Guernsey and Jersey are in the same time zone as the United Kingdom.

Other payment methods

Payments can also be made to your account by cheque, draft or money order (collectively “cheques”), which should be sent directly to the office or branch of the Bank where your account is held.

Foreign cheques (which for the avoidance of doubt includes Sterling cheques drawn on banks outside the UK) will either be **Negotiated** or handled as a **Collection** in accordance with clause 4.11 of the Bank’s General Terms and Conditions (the “Terms”).

If we Negotiate a Cheque, we will credit the proceeds of the cheque (less our charges) to your account with seven UK business days’ forward value². If a Cheque is handled on a collection basis, we will credit the proceeds of the Cheque (less our charges and also any charges levied by the third party bank on which the Cheque is drawn) following receipt of the payment from the third party bank.

Faster Payments Service

The Faster Payments Service scheme (FPS) enables Sterling payments made by telephone, internet and standing order to be applied by the receiving bank within hours of receipt. We are a participant in FPS in respect of inbound payments and can therefore receive payments of this nature via our 40-48-75 sortcode³ with effect from January 1, 2012. Please note however that certain payments may not be applied to your account until the following business day.

For more information about FPS, please visit www.ukpayments.org.uk or speak to your Relationship Manager.

Glossary

Term	Definition / example
Best efforts basis	We will try to apply your incoming payment with same day value but will accept no responsibility or liability if we are unable to do so.
