

Tuition madness

A college education is a gift that will last a lifetime

By this time in 2031, this year's first graders are college freshman, and the average tuition and fees for a four-year degree are expected to be approximately \$289,722 at a public out-of-state university and \$375,485 at a private one. Which means it is more important than ever to start planning for your education funding goals.
