

Deposit Interest Rates

**Wealth
Management**

RBC Europe Limited ("the Bank") offers fixed term deposits and other interest bearing accounts in most major currencies subject to the Bank's General Terms and Conditions ("the Terms") and any further specific terms and conditions outlined below.

Interest Rates as at: 08 Apr 2024

Please note that (i) interest rates are quoted up to a specific monetary value and are correct as at the date indicated above; (ii) interest is calculated daily on all deposits and paid, or charged in the event of negative interest rates prevailing from time to time, ("Applied") on the dates indicated below for each type of account; (iii) interest is calculated from the date of receipt of cleared funds and there is no minimum period of deposit before interest is calculated; (iv) Executive Plus, Notice and Fixed Term Deposit accounts are offered subject to (a) the Client meeting the required minimum monetary value for their total relationship with RBC Wealth Management (being £250,000 or currency equivalent thereof) and (b) the minimum balance requirements reflected below for each type of account and the various currencies in which it is offered. The Bank reserves the right to refuse to accept any funds for deposit that are below the stated minimum balance requirements.

Fixed Term Deposits

Term	Canadian Dollar (CAD)	Euro (EUR)	Sterling (GBP)	US Dollar (USD)

- The rates quoted above are applicable for amounts starting from **CAD 100,000** and up to **CAD 15,000,000**, **EUR 75,000** up to **EUR 15,000,000**, **USD 75,000** up to **USD 15,000,000** and **GBP 50,000** up to **GBP 10,000,000**. Please contact your Relationship Manager for applicable rates for deposits greater than these stated maximum amounts.
- Rates are dependent upon money market conditions and may fluctuate from day to day.
- Interest is applied at maturity.
- Funds may only be withdrawn on the maturity of the deposit and funds added on the reinvestment date.
- Instructions on existing deposits must be given by 11.00 am on the day of maturity for Sterling deposits and for all other currencies, two working days before the maturity date.
- If no instructions are received, the capital sum plus interest will be automatically reinvested for the same term as the preceding deposit, at the rate applicable on the reinvestment date for Sterling deposits and two working days before (spot) for all other currencies.
- In the event that the client maintains separate capital and income accounts, then only the principal sum of the maturing deposit will be reinvested for the same term as the preceding deposit and the interest (due from the maturing deposit) will be credited or paid to the client's designated income account.
