Tips:

Password composition must comply with password policy as stated below:

- 1. It must be a minimum of eight (8) characters in length
- 2. It must include the following:
 - a. One upper case letter;

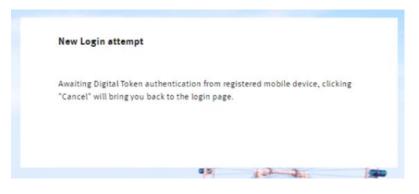

- b. One lower case letter;
- c. One number;
- d. One special character from the character list (\$@#()!%*);
- 3. The new password cannot be the same as the previous 8 passwords.
- 4. It rejects passwords that are easy to decipher. (e.g. "abcde", "1234", "AaAaaAA", "qwerty") Once your new password is saved successfully, you will view the screen as follows.

| Password Ch | nange Successful |
|------------------------|------------------|
| Your new password is n | now valid. |
| Continue | |

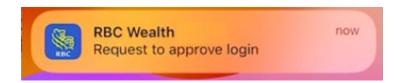

C. For first time login, you need to set up answers to your secret questions. Please note down the answers and keep them safely. These will be used to prompt you in the future if you need to reset your password online. Upon submit answer, system will direct you to the overview page.

| Veb View | App View |
|--|--|
| Please answer the following questions in order to reset your password. What is the name of your primary school? | Secret questions Please provide your answer to the secret questions below. |
| What is your mother's maiden name? | What is your mother's maiden name? |
| Cance1 Submit | What was the name of your primary school? |
